

REMARKS

Reconsideration of the application as amended is respectfully requested. The Examiner has restricted examination of claims 1-35 in this application. Specifically, the Examiner restricted claims 1-14 and 29-35 to Group I as being drawn to a method of monitoring a polyolefin production process and a polyolefin production system, and claims 15-28 to Group II as being drawn to a computer program. Although Applicant does not necessarily agree with the Examiner's reasons for restrictions, Applicant elects to prosecute claims 1-14 and 29-35. Therefore, Applicant has cancelled claims 15-28 of Group II without prejudice for possible inclusion in a divisional application.

If the Examiner believes that a telephonic interview will help speed this application toward issuance, the Examiner is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,
